

Adopt a Classroom

Calling small business, civic groups, church groups to sponsor an elementary classroom in Stokes County Schools.

By sponsoring a classroom, sponsors would provide items needed in that classroom. Some possible items could be

- Classroom supplies
- Clothing items for needy children in that classroom (Ex. A coat or gloves)
- Small Item (s) the teacher needed for the classroom. (Ex. A book form school book fair the teacher wanted for class library or supplies for a science project)

The classroom would provide a sign in the hall beside the classroom stating the group or individual who is sponsoring the classroom.

Rationale:

- With school budgets being cut, we could help classrooms have the educational supplies needed.
- Helping the needs of individual students.
- Teachers spend their own money in the classroom meeting the needs of the students. We could help in this endeavor.
